Description of the excursion area:

Bottom conditions:
(mark with an X)

rocks	stones	sand	clay	mud
	X	X	X	X

Give a short description of the excursion area with regard to the conditions of the sea (open water, bay, mouth of river, bottom profile steep or flat etc.), the coast (cliffs, dunes, flat), and the land behind the coast (forest, agriculture, cities, industries, sewage plants, harbours, tourism, etc.).

Excursion area included: small bay with flat coast overgrown
with higher plants at one site and second one was
open bay with gravel and coarse sand bottom.
Behind the coast were situated village houses and mixed
forest.

Please draw (or insert) a map of
your excursion area in the box to
the right with coastline, rivers,
major cities etc.

Scale: 1cm = 1km
