Dear students and teachers in the UNESCO Baltic Sea Project,

At the end of summer 2018, the UNESCO Baltic Sea Project will hold a four-day international summer conference in the little town of Damp, in northern Germany, right on the coast of the Baltic Sea, with a blend of 330 participants from the nine countries of the UNESCO BSP and UNESCO ASPnet Germany.

The conference programme includes workshops, excursions, a cultural programme and much more, it starts on Tuesday, 18th September, at 16:00 h and ends on Friday, 21st September, at 14:00 h. The conference fee is 50,-- € for everyone. This includes accommodation, meals and most drinks and the whole conference programme. Travel expenses are not included. The conference language is English.

If you are a student and wish to participate, you should be between 15 and 19 years old, and we expect you to work on the tasks described on the following pages beforehand.

Please work on the tasks and send your application to your BSP National Coordinator.

Deadline: 2nd March, 2018.

We hope to see you during the UNESCO BSP Summer Conference 2018!

Martin Jarrath

Task Page 1/3

Before you work on the tasks, please read the following notes:

The tasks are about the 17 Sustainable Development Goals (SDGs) of the Agenda 2030 as well as about **your school and the town** where your school is situated.

They are **not** about your country and **not** about the whole world. Please think about your school and the town where your school is located. There's probably a lot to describe and a lot to do.

Please send only **one** photo per task. Since there are three tasks, the maximum number of pictures you may send is three.

The maximum length of text for each task is 2000 characters, this makes a total of 6000 characters for all three written tasks.

All tasks are about the 17 Sustainable Development Goals (SDGs) of the Agenda 2030, the full list is available on the last page of this document.

In case you have questions regarding the tasks, please write to conference2018@b-s-p.org.

Task Page 2/3

Here are your tasks:

Task 1:

Find an SDG that has been successfully achieved at your school.

1.1 Take a picture showing this.

1.2 Write a text that explains to what extent this SDG has successfully been achieved at your school.

Task 2:

Find an SDG which has **not** yet been achieved at your school, that needs to be worked on.

2.1 Take a picture showing this.

2.2 Write a text about the SDG that has not yet been achieved at your school. Explain why this is so.

Task 3:

How can you and your school achieve the SDG described in Task 2?

3.1 Write a text that explains this.

3.2 Add a photo that shows what you are going to do.

Very important: Be innovative, be creative, be realistic!

Remember the **deadline** for sending your work results to your National Coordinator:

Final check:

Before sending your work results, please make sure you have everything!

Your application should contain the following items:

1. Your filled-in **Data Page**
2. **Three texts** (your answers to task 1.2, 2.2 and 3.1)
3. **Three photos** (tasks 1.1, 2.1, 3.2)

Please send everything to your UNESCO BSP National Coordinator!

Again, remember the deadline: Friday, 2nd March, 2018

Your National Coordinator will select the delegates from your country for the UNESCO BSP Summer Conference 2018 on the basis of your applications.

In case you have been selected, you will receive your invitation in April 2018 through your National Coordinator.

We hope to see you at the UNESCO BSP Summer Conference 2018!
